

ARTIST TALK

Join printmaker **Alan Grabelksy** for an artist talk on **Saturday, October 16 at 1 pm** at Gallery 78.

In his intimate and thoughtful exhibition, **Love Songs: A Journal of Fateful Encounters** Alan captures moments in time that have struck a deep chord within him. In them, he experienced an "incandescent moment that, like an exploding flashbulb, left a ghostly afterimage, visual and emotional" which he brought into physical existence with ink drawings, serving as foundations for his original serigraph prints.

As per GNB's latest mandates, masks are required indoors, and proof of vaccination is required for entry to this free event.

Gallery 78, 796 Queen St. (corner of Church and Queen), Fredericton, NB

Open: Tues to Fri 10am-5pm, Sat 10am-3pm, or **visit virtually** at:
