

GALLERY 78 FINE ART

Last updated: March 19, 2020

During these challenging times, we hope that your families, friends, and communities remain safe and healthy and enjoy many home adventures!

Subsequent to the recommendations of Premier Higgs and Dr. Jennifer Russell, our Chief Medical Officer of Health, Gallery 78 will be closed to the public until further notice.

We are asking all our friends and clients to please visit our website at www.gallery78.com and if you would like anything, communicate with us by phone (506-454-5192) or by email (art@gallery78.com), or via social media (@gallery78official on Instagram, @Gallery78 on Facebook).

We remain happy to wrap and ship artwork and answer any inquiries.

There will also be additional videos presenting exhibitions and new pieces posted to social media for your enjoyment from the comfort of your home.

We offer FREE DELIVERY in the greater Fredericton area. Packaging is always complimentary and cost-shared options for shipping are available for out of town clients.

The exhibition, ***Marjory Donaldson – A Retrospective*** and ***Treasures by Molly Lamb Bobak and Bruno Bobak*** will run online from March 24 – April 19, 2020.

We will also repeat the exhibition this summer (starting July 17, 2020) with remaining pieces so that people will be able to enjoy the work in person.

We are working hard to continue to support our artists during this time.

Wishing you all the very best!

We will update this page as circumstances change.
